Robert Nack, Regional Coordinator
Regional Trauma Advisory Council

To Whom It May Concern:

I am writing to express my interest in serving in the capacity of Emergency Room Physician of the Executive Council of the Fox Valley Regional Trauma Advisory Counsel.

Having been residency trained in both emergency medicine, as well as family medicine, I have a unique perspective on rural emergency care and, in particular, trauma. Having practiced emergency medicine, both in the Fox Valley, as well as in rural Wild Rose, I have seen trauma from different perspectives and with this unique background, I think I would be an asset on the executive counsel.

I would like to thank you for your consideration.

Regards,

Chandler D. Caves, MD
