Letter of Interest for Fox Valley RTAC

Hello,

I am writing to confirm my continued interest in the Fox Valley Regional Trauma Advisory Council. I am currently employed as an Engineer/Paramedic for the Grand Chute Fire Department. I also have recently begun working for the WI Task Force 1. I have been in EMS for 15 years, 7 of which I was employed full time. I am looking for consideration in any role, but have specific interest in Prehospital Provider or Member at Large.

Thank you for your consideration,

Andy Albrecht
