

To the Members of the Fox Valley Regional Trauma Advisory Council,

I am writing to respectfully request consideration to remain on the Fox Valley Regional Trauma Committee in the role of Member at Large.

It has been a privilege to serve and contribute to the efforts of enhancing trauma care coordination and patient outcomes across our region. I remain deeply committed to the committee's mission and believe that my continued participation will support the collaborative progress we have achieved in system improvement and outreach.

I appreciate the opportunity to continue working alongside such dedicated professionals and would be honored to maintain my role as Member at Large for the upcoming term.

Thank you for your consideration.

Sincerely,

Keith Melvin, CCEMT-P AAS BA

Chief of EMS

Waushara County
