To whom it may concern,

I am writing to express my interest in a staff position on the FVRTAC. My interest is in a Member-at-Large or Pre-hospital position. During my 16+ years as a Paramedic/Flight Paramedic/Combat Medic/Instructor/Manager, I've witnessed many positive and progressive changes in EMS. I want to continue supporting and further developing that progression here in the Fox Valley.

I am an adaptable, hard-working professional who my co-workers and management have consistently praised as proactive and progressive. Over the course of my 16-year civilian career and 20-year military medic career, I've developed a skill set directly relevant to FVRTAC. Overall, I have consistently demonstrated critical thinking, patience, initiative, and teamwork in every aspect of my EMS career. I'd love an opportunity to contribute to meaningful change in the region.

Thank you for your consideration, and I look forward to hearing from you.

Sincerely,

Brian Nolde
